The board denied the request of Mrs. Karen Bean, teacher at Crescent Park School, for an additional day of leave with pay.

Donald Bean, executive director of the Bethel Area Community Education Work Council, presented a Career Education recommendation to the board. The directors decided to have Mr. Smith and Mr. Bean review the specific recommendation for possible adoption of such a program.

The directors approved the entering into a contract with Powers Regulator Co. for a maintenance contract for the Crescent Park School heating system at an annual rate of \$3,686.

Bethel Director Frances Gunther was absent.

The next regular directors' meeting is scheduled for Nov. 20.

MEASLES VACCINE CLINIC SCHEDULED FOR TELSTAR MIDDLE/HIGH SCHOOL

Recently the Bureau of Health urged all school districts in the State of Maine to help avoid a possible measles epidemic by holding clinics during the month of November in order to protect students in grades 7-12 against measles. Telstar Middle/Regional High School has scheduled a measles vaccine clinic for Tuesday, Nov. 14.

This week letters have been sent home to Telstar students, to parents whose children (grades 7-12) may not have adequate protection against the measles disease. These students include: 1. students who received measles vaccine before January 1968; 2. students who have received no vaccine; 3. students who have had the disease.

In order to avoid possible exclusion from school in the event of a local or state measles epidemic, parents are asked to read the letters and sign either the bottom of the letter or the request for a measles vaccine and promptly return it to school.

Please direct any and all questions to: Sue Bartlett, District Nurse, at 824-2136, Extension 21.

TELSTAR SPORTS BANQUET HONORS FALL ATHLETES

The Telstar fall athletes were honored at the Varsity Club Sports Banquet on Wednesday, Nov. 8, at Telstar. The fall season was a success at Telstar, with all squads posting winning seasons, and the field hockey squad winning its second consecutive State Championship.

John Applin, Telstar's cross country coach, praised his teams' performance. After two consecutive State Championships, the boys' squad placed third in the state meet. The newly established girls' squad ran fourth in the state in their initial year of existence. Coach Applin presented awards to Cavenagh Kelly for Most Improved Runner, Chuck Starr for Rookie of the Year, and John Clukey for Outstanding Runner, and Beryl Martin, Outstanding Runner.

Coaches Flynn and Kavanagh honored Russell Palmer for Best Defensive Player, Mike Brooks for Best Offensive Player, and Mike Rosenberg for MVP.

The fall cheerleaders were honored at the banquet for their support during the hockey and football seasons. Coach Ellen Durgin presented awards to Cheryl Merriam for Most Spirited, and silver necklaces to her four senior members.

BETHEL WATER DISTRICT HIRES NEW SUPERINTENDENT

The Bethel Water District has hired a new superintendent, Richard Enright, who since 1974 has been employed by the Kennebunk, Kennebunkport and Wells Water District where he has been responsible for a wide variety of work. His experience includes watershed management planning and implementation, right of way location, acquisition, and documentation/water main extension design and construction, plus many other activities necessary to a smoothly functioning utility.

While with the KKW water district he received State of Maine certification as a class three water operator.

Paul Smith's College granted him a degree in forestry in 1973. In 1974 he received a B. S. in Sociology from Nason College. He is a veteran of the U. S. Air Force discharged with the grade of sergeant.

The Bethel Water District feels that changing to an experienced full time superintendent will reduce the cost increases which inflation and increasingly strict regulation make necessary. Particularly the number of times that outside consultants are required should be reduced, and their services more effectively utilized when needed.

Likewise his training and experience will allow the district to take advantage of the opportunities for economical improvements which arise in the day to day operation of the water system.

TELSTAR GIRLS' AGAIN RULE IN STATE CLASS "C" FIELD HOCKEY

The Telstar field hockey girls repeated as State Class "C" champions with last Saturday's 1-0 defeat of Winthrop in the playoff final at the University of Maine in Orono. The Bethel squad earlier had won the Mountain Valley Conference crown and Western Maine honors.

Saturday's only goal came early in the opening period with Pam Bean making an unassisted play for her 23rd score of the season. From there it was up to the hard-working Telstar defense, whose fullbacks Kathy Bailey and Berta Smith excelled particularly in front of shutout goalie Brenda Mills.

Halfback co-captains Tanya Hathaway and Charley Whitten turned in fine games and center half Rachel Mills came up with her best performance of the fall. In the net Brenda Mills had 10 stops, one of them on a penalty shot late in the second period that represented a formidable Winthrop threat to tie.

Cathy Edwards had four saves in the Winthrop goal.

The news this week is about as sparse as the leaves on the trees. A lot of people I didn't find home and many of them have just been enjoying our long stretch of Indian summer. This is giving us a chance to get storm windows on and other jobs that always seem to pile up in the fall. The much needed rain has still not materialized and we are all wondering will it before the ground freezes.

The river has been a never ending change of beauty. In the morning, on a clear day, the pinks, grays and other colors of sunrise are reflected in the water making not only the beautiful sunrise of the sky but also of the water. The sun has been in the right location lately so that at noontime it has shone on the moving river giving it a sparkling beauty. Imagine thousands of blinking Christmas lights going off in one place, coming back in another. This is how the river has been. One day I kept going back again and again to look at this beautiful sight.

Monday the fog was so thick one could not even realize that the river was there.

The only lucky hunters I have heard of on this road were Dick and Ricky Angevine. I guess, not only are the deer scarce, but also the woods are noisy. The lack of rain has dried up things so much that with each step one can't help but make a noise.

Sue Anderson and others from Bethel went to Faith Bible Church at Rumford Point Sunday.

Lester Butters took Ruth to Berlin hospital Thursday to see her friend, Mrs. Chester Hayes of Shelburne, N. H.

Mrs. Ida Chapman talked with her daughter, Mrs. Betsy Wise in South Carolina Sunday. Betsy reports that their weather is lovely and the trees are just turning. Although they don't have the colors of our trees, I do understand their trees do turn to the yellows and maybe some other colors.

Kristy Angevine, daughter of Mr. and Mrs. Dick Angevine, had supper Monday night with Tammy Beam.

HOW MUCH SKI TOURING

FOR BETHEL?

An estimated \$3,000, is needed to maintain Bethel's in-town ski touring trails and provide a modest start toward consolidating the common aspects of the Sunday River-Bethel-Mt. Abram ski touring programs. Goals and means for such a program were discussed on Thursday evening at the Bethel Inn by approximately 17 interested people representing a variety of local cross country skiing activities. The group calls itself the Bethel Area Ski Touring Foundation. The goals are basically two part.

First, the group wants to sustain a cross country facility for local school students. Gould students and recreational skiers from Bethel on land owned by the Bethel Inn, Gould Academy, and the Chadbourne family. To raise the necessary funds, the group preferred a subscription program over collecting trail use fees.

Secondly, the longer range aim of the "Foundation" would be to knit together commercial, Gould, Telstar, and Recreational Board ski touring programs into an organization for maintaining, expanding and promoting ski touring in the greater Bethel area. The second objective is generally modeled on

ROTARY BALL COMMITTEE

MET THURSDAY, NOV. 2

The committee for the 2nd an-
nual winter ball sponsored by the
Bethel Rotary Club met Thursday,
Nov. 2 to finalize plans for the
gala event to be held at the Bethel
Inn on Saturday, Dec. 9, beginning
at 7:30 p. m. Dancing will be to
the music of the Gordon Howe
orchestra. A cold buffet will be
served at 11 o'clock. For further
information and tickets contact
Louise Robiller at 824-2183, Nancy
Chadbourne, 824-2347, Chris Otten,
Bryant Pond 142, Becky Shaw,
824-2825.

what the Jackson, N. H., Ski Tour-
ing Foundation has done.

On the commercial side of the
plan, one benefit might be that all
Bethel area lodgings would have a
"ski from the back door" capabil-
ity. On the amateur sports side,
the "Foundation" would accept
Bethel ski touring confederation
instead of a number of voices
dealing with various associations.

A few but significant pros and
cons came out of this meeting.
Success by a foundation would be-
nefit local skiers, especially
school children. The Bethel Inn
would also benefit. On the other
hand, there were no spokesmen or
representatives from the other inns
and motels and no representative
from Sunday River. Mt. Abram's
representative left the meeting
with no clear impression about
whether or not expanding Mt. Ab-
ram's trail system to tie in with
Bethel's is a justifiable venture.

Therefore, the group is in a po-
sition where they will be soliciting
funds from parties who were not
in on any of the Thursday dis-
cussion and have not yet been
heard from as to their views of
potential benefits and willingness
to venture investment money.

Under Arthur Froburg's direc-
tion, as head of this "Foundation's"
steering committee, four working
panels were formed. They are: ski
programs and associations, Robert
Remington and Jim Haskell; trails,
Arthur Froburg and Mac Davis;
finance, Wayne Gersen; and maps,
Donald Tremblay.

Since the key element in mov-
ing ahead at this point is finan-
cing, potential family, business
and civic organization contributors
will be asked for specific pledges
within the next two weeks. The
pledged funds will be allotted pri-
marily for a '78-'79 trail main-
tenance budget.

In the meantime, however, any-
one who is interested in being
employed in trail grooming should
contact the Bethel Inn's manager,
Ernie Tremblay.

Two Sunday afternoon work ses-
sions are scheduled to begin get-
ting trails in shape. These sessions
will be on Nov. 12 and 19, start-
ing at 1 p. m. Volunteers are as-
ked to help by bringing brush
clearing equipment such as prun-
ers and saws. The group will as-
semble by the golf shop behind the
Bethel Inn.

Mrs. Norma Jodrey has return-
ed to her home after spending the
summer in Ogunquit.

GILEAD
The Gilead Library is closed for
the winter.

CARD OF THANKS

those who are helping me now
that I am home. Thanks for every-
thing.

UNIVERSALISTS BEGIN

WORLD RELIGION STUDY

The Universalist Churches of
West Paris and Bryant Pond are
sponsoring an adult discussion on
World Religions led by The Rev.
Patricia Bowen, minister of both
churches. The first meeting of
this group was held at the manage-
ment of the Bryant Pond Universalist
Church on Friday evening,
Nov. 8. Any interested person is
invited to attend these discussions
which will be held on the first and
third Fridays of each month, with
a pot luck supper preceding the
discussions on the third Fridays.

The next meeting will be held
at the Bryant Pond Universalist
Church on Friday, Nov. 17, at 7
p. m. with the pot luck to begin
at 6 p. m.

The schedule for the study of
world religions which will use
Huston Smith's "Religions of Man"
as an aid, is as follows: Nov. 17,
Hinduism; Dec. 1, Buddhism;
Dec. 15, Confucianism; Dec. 29,
Taoism; Jan. 5, Islam; Jan. 19,
Judaism; Feb. 2, Christianity; and
a concluding session on Feb. 16.

ANDOVER SELECTMEN MET
TUESDAY, OCT. 31

The Board of Selectmen of And-
over met at the town office in
regular session on Tuesday, Oct.
31.

The Selectmen have arranged
for dead trees to be removed on
state roads in town. This work
will be done in connection with
Central Maine Power Company and
the Maine Department of Trans-
portation who will share expenses.
The Selectmen will contact the
owners of property on which these
trees are located and ask them to
clean them up once they are
felled by Sunday River Tree Ser-
vice. This will save the town ap-
proximately \$600. It is assumed
everyone will be glad of the con-
venient firewood.

Anyone wishing to insert any
articles in the March, 1979 Town
Meeting warrant should do so as
soon as possible. Department heads
such as the Fire Chief, the Road
Commissioner, Recreation Com-
mittee and other organizations
should prepare their budgets by
Jan. 1 for consideration at the
Budget Committee meeting.

Plans for the 175th anniversary
of Andover which will be cele-
brated on Aug. 4, were discussed.
Selectperson Jane Rich will con-
tact organizations in town to dis-
cuss plans for putting on a cele-
bration. Anyone with any ideas
for this event is urged to contact
Mrs. Rich.

Game Warden Eric Wight and
David Berry came in to discuss
the issuing of concealed weapon
permits. Concealed weapon per-
mits in the future will be issued
only after serious need for such
a permit has been established by
the person applying for it.

WEST BETHEL CHILDREN'S CENTER

The children, teachers and parents had a wonderful Halloween Party last week. We bobbed for apples, played Blind Man's Buff and Pin the Stem on the Pumpkin, had an egg and spoon race and tossed bean bags through a clown and had a mask parade on the playground! Many thanks to Paula Cordwell, Kathy-Jo Brooks, Shirley Gordon and Yvette Currier for helping us.

Also thanks to Sonny Hastings for letting the children go to visit his farm last Thursday. Cows, pigs, goats and fresh milk and cookies! Super!

This week is French Week at the Center! We are singing French songs, counting and making silhouettes. The children are also doing a cut and paste activity, painting, playing at the water table and in the block area in the morning.

We are all enjoying the beautiful weather and every minute of being outside — we even had a parade on Monday! March, march, march! Our Head Start-Day Care program is now 30 children strong. We welcome visitors and community volunteers anytime. Please call the Center at 836-9700 if you'd like to learn more about our program.

Greenwood City

— Mrs. Colista Morgan, Corres. —

It was a clear bracing day mel-
low with the richness of autumn
time. The leaves were all down
except the oaks and beeches. Even
my weeping willow has finally
conceded that summer is over.

On this morning I went again,
by truck this time, to see the fam-
aracks in their bronze flames on
Patch Mountain. They'll shed all
their needles very soon but before
they fall they are the most beau-
tiful tan-bronze color imaginable.

The same morning the White
Mountains were snow capped,
such lovely savage hills. We didn't
stay long, just time enough to view
these beauties shimmering in the
sunlight and as soft as kitten fur.

Another day Ruth and I made
our annual journey through the
farm fields and up Noyes Mountain
to the old Buck camp. It's a place
we have always loved but today
it was a bit saddening for the
forest has been carved away on all
sides and the chimney still stand.
This section we have returned to
again and again. It has always
been rich in both natural and
human history. We always enjoyed
the darkly forested area, tall
hemlocks and pines, huge boun-
ders and ledges, and the Virginia
fence. It has been a typical town
treasure that made each trip
worthwhile. But today was an eerie
visit and genuine sadness as we
stood on the ledges and looked
down upon a ghost camp, stone
walls and house-surroundings bur-
ied in the brush.

We moved around cautiously
from ledge to ledge and looked
across into the valley by the tow-
er.

The next forest here will be
quite different from the one we
knew. Hemlocks may take over
completely and the great pines
now lost will have to move on to
colonize some other sunny place.

Coming back we stopped at the
Garland cemetery, where few
stones are standing and bushes are
growing in.

At this point before the road
starts to dip back down into the
valley, there is a cellar hole; the
roots of a great birch tree still
grasping its stones. This was the
home of the Garlands.

Clouds hung low over the hills
and pastures as we entered the
fields again. Brown grass carpeted
these fields and soft rugs were
beneath the maples and oaks.

Pearl-gray smoke drifted from
various chimneys, dissolving into
nothing.

So comes November when day's
end comes quickly. It just closes
its curtain abruptly. There may be
a few Indian summer days with
mellowness, but November is a
prelude to winter.

"It's a lovely old world wherever
you look."

From the sky of blue to the
babbling brook, that is quaint
and dear.

Mother Nature's charms since the
autumn's here.

It's a charming old world with
its smiles and tears.

With tomorrow's dreams that can
banish fears;

A peaceful morn in the wake of
dawn.

With a world of joy we can gaze
upon."—Garnett Ann Schultz

So many times I have wished
that I might see a cardinal and
this week my wish was fulfilled.
When at Ruth Hastings' one came
to her feeder. What a beauty!

Ruth Hastings and I called on

was at his home here a few days
then went with friends to their

has been visiting her grandpar-
ents, Mr. and Mrs. Rolly Hayes,

IN MEMORIAM

In loving memory of
Verne Corkum
who left this earth Nov. 13, 1964
From his loving daughter,
Nancy

My Dad
A father of six who himself
often went without.
Ever sacrificing for his family
of his love, there was no doubt.
Guiding with warmth and under-
standing,

yet firmness and strength,
Always finding time to listen to
our problems
one by one, at great length.
To the Lord he would rejoice,
Then for reasons we could not
understand,

You took away his voice.
A quiet man by nature,
he could easily have become a
mute.

But not my Dad. Through faith
and determination,
he found ways to substitute.
He now communicated in a strange
voice

But with deeper meaning and a
serene attitude.
From a man who had reason to be
bitter and discouraged,
we were hearing songs of praise
and gratitude.

Thankfulness for being alive,
for his "Lease on Life".
For four bonus years.
With his family and devoted
wife.

When his pain became too much
to endure,
You took him "Home" with you.
He never questioned—he was
ready,

and tried hard to prepare us
too.
But I still miss his crooked smile,
his gentleness, his warmth and
his touch.

Perhaps I always will
because I loved him so much.
I know he's at peace with you
though.

so I try not to be sad.
Trusting that you're watching over
Your child—my Dad.

MIDDLE INTERVAL MEETING HOUSE SOCIETY TO MEET THIS EVENING (THURSDAY)

A meeting of the Middle Interval Meeting House Society will be held this evening (Thursday) in the office of the Bethel Historical Society at the Moses Mason House, 7:30 p. m. All interested are urged to attend this important meeting.

TELSTAR REGIONAL HIGH OPEN HOUSE SCHEDULED FOR THURSDAY, NOV. 16

The staff at Telstar Regional High School will hold an open house on Thursday evening, Nov. 16.

The doors to the high school cafeteria area will open at 6:30, and rank cards will be distributed to parents in the cafeteria from 6:30 to 8 o'clock.

At 7 o'clock, Dr. Wayne F. Gersen will address parents in the Auditorium, outlining his goals for the year, discussing the curriculum changes instituted in the 1978-79 school year and explaining the new rank cards.

Beginning at approximately 7:15, faculty members will be available for consultation and informal discussion of students' performance in their classrooms. This will provide an opportunity for parents to meet the faculty and to tour the facilities.

During the evening, at 7:30 and 8:00, Mrs. Kathy Guinness, School Counselor, will give a brief description of college application procedures to any interested parents. Mrs. Guinness' presentation will be held in the Library at the high school.

Mrs. Joan Wirth, Health Education Resource Council Coordinator, will be available throughout the evening to discuss the health program for MSAD #44. Mrs. Wirth is currently surveying parents, students, faculty, and community members to determine the content and scope of the district health curriculum.

The public is welcome to attend the back-to-school night to tour the building and meet the staff members at Telstar. All the rooms will be open and residents who have not seen the facilities at Telstar may be pleasantly surprised at the quality of the shops, lab facilities, and classrooms.

Throughout the evening, refreshments will be provided in the cafeteria by the home economics students of Mrs. Thelma Dombkowski and Mrs. Venessa Arsenault. The Open House will conclude at 9 o'clock.

LIVING NATIVITY UPDATE:

Seven people showed up for the first planning meeting of the Living Nativity. Much was accomplished in one hour's time. Frank Fiske showed the film of Bethel's first Living Nativity in 1963. This year will mark the 15th anniversary.

A few minor differences were noticed. One being the manger itself, which was much larger, and there were no angels. The overall atmosphere of simplicity continues to exist today, making this the unique experience that it is.

At the time of this writing, there were still a few committees needing chairpersons, such as publicity, pageant director, construction of manger and corral, telephone and clean-up. Please join in this community project. Call Lyn at 824-2233. Next week there will be a list of all committees and chairpersons available. So far the response has been terrific. One month from now, Dec. 11, will mark the week-long full-throttle preparation for the pageant on Dec. 17. Be ready! Here's a catchy slogan to remember: He who is not ready today, will be less so tomorrow.

HISTORICAL SOCIETY HAS PROGRAM ON CHAIRS, NOV. 2

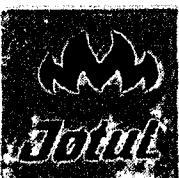

"Two hundred years of chairs" was the topic of the monthly meeting of the Bethel Historical Society held last Thursday evening in the meeting room of the Dr. Moses Mason House. The program was presented by museum committee members Marge Noll and Judy Haskell.

Chairs have been very important to Americans not only for their utility but also for their esthetic value in home furnishing. They appear throughout American history in a wide variety of styles, many combining features from two or more periods. Important design periods in America which have produced specific styles and types of chairs are the Pilgrim (1620-1670), Jacobean (1670-1694), William and Mary (1694-1710), Queen Anne (1710-1750), Hepplewhite (1750-1800), Sheraton (1800-1830), Empire (1810-1840), Victorian (1840-1890) and Mission (1890-1910). Styles vary from the delicate and graceful Hepplewhite chair to the heavy and often ornate Victorian.

Chairs or slides of chairs of all periods were shown. Many chairs were brought by those attending, several of which were of an unusual nature.

Following this presentation a special film on historical archaeology was shown.
